## Terms and Conditions

Subject to the undermentioned conditions and exemptions, Electronics Today Warrants the work carried out and parts replaced to be free from defects in material or workmanship for the specified warranty period as stated.

The benefits given in this warranty are in addition to all other rights and remedies, which the customer has under the Trade Practices Act and similar State laws.

Electronics Today will at its option repair or replace free of charge any part which it at its sole discretion, deems to be defective as a result only of faulty material or workmanship.

## Warranty Conditions

- 1) Warranty repairs may only be undertaken at our service centre. Such repairs will be only carried out within normal business hours. All freight and insurance costs are the responsibility of the customer.
- 2) Free in home service is only available to items that were originally serviced as a house call {must also meet conditions 6}.
- 3) 3. In cases where repairs and tests are made, but no original fault in parts or workmanship can be found, such work will be chargeable at ruling rates.
- 4) Must be within the warranty period.
- 5) Warranty repair work undertaken for a manufacturer will be as per their warranty terms and conditions {must also meet condition 3}.
- 6) Warranty does not cover:
  - a) parts not replaced in the original repair;
  - b) batteries, lamps, tuning, cleaning or any other consumable parts;
  - c) damage or loss as a result of any failure or fault;
  - d) any damage, malfunction or failure which in the opinion of Electronics Today may have resulted from accident, misuse, neglect, abuse, improper installation, misadjustment, use on incorrect voltage, excessive fluctuations in electric current, outside interference, thunderstorm activity, failure to observe or failure to carry out manufacturer's recommendations or tampering by unauthorised persons;
  - e) any product, which in the opinion of Electronics Today has been used for other than normal domestic purposes;
- 7) Electronics Today is not responsible for any delay or failure of any supplier/manufacturer to supply parts or detailed service information.
